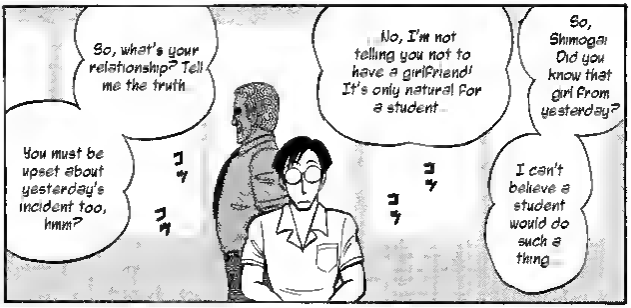
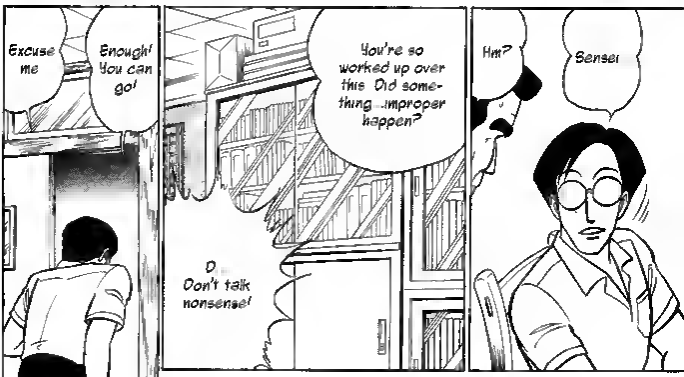
Shimogai! Come in here
I'm such an idiot I can't just stroll in here casually after all that happened yesterday



So, what's your relationship? Tell me the truth
No, I'm not telling you not to have a girlfriend! It's only natural for a student...
So, Shimoga! Did you know that girl from yesterday?
You must be upset about yesterday's incident too, hmm?
I can't believe a student would do such a thing...

I can tell when you're lying!
Is that true?
I... I don't know anything!



Excuse me
Enough! You can go!
You're so worked up over this. Did something...improper happen?
D... Don't talk nonsense!

You'd sell this land that cheaply!?
Is is this true, madame!?
Yes
Yes. We'd like to dispose of this mansion as soon as possible...

So if you could get even half the money in cash by tomorrow, you'd be willing to... is what you're saying
And we were lucky enough to find some affordable property for sale, so we'd like to settle things as soon as possible and move there permanently...
My husband and I liked that country we visited so much...

I understand
If you think I'm being too hasty...
I see... I'm sorry I was so unreasonable.
Well... it's true that it's very good price, but half the money is still... and by tomorrow is rather...

I'll just take my business elsewhere...
!
P-please wait! I get it! I'll have everything ready by tomorrow!

Yo! You're home early!
I'm home
Shut up! We're going straight to the bank!
Sir! Can you get that much money by tomorrow?
W-what are you planning now!?
Don't worry You have an important part to play too!
You don't look like you hated all the attention though
The teachers and my mates wouldn't stop drilling me about yesterday! What do you mean early
Ah, them Real estate agents!
F-Forget that! Who were those guys just now?

Yes! You want to move abroad and need a large sum of money all at once
I'm sure my wife Kasumi has explained everything already

Pleased to meet you, I'm Kumoo Forgive me For not being here yesterday I was busy at the office

Not at all! We're overjoyed to get such prime real estate at such a good price
